

Experience Amazing Armenia

Visit Young Life's beautiful new camp for the adventure of a lifetime!

Experience:

- You'll witness incredible Armenian hospitality, and the joy and friendship of our established staff!
- You'll have a chance to encourage and empower the leaders and kids as you work together.
- Visit majestic Bambak Mountains, tour historical ruins and monasteries of the first ancient culture to embrace Christianity in 301 AD.

Opportunities:

- Each year thousands of Armenian kids from different populations — street kids, orphans, special needs — go to camp at a leased property, eager to experience the best week of their lives!
 - Serve and encourage kids at sports camp. Lead/assist with soccer, Frisbee, and other fun games. Support campers through prayer, camp set up and program.
 - Join us in getting the new property up and running next summer.
- July 8-15, 2016. We will handle all trip and travel arrangements.
